

New Formula - Better Results

Impact Igniter Xtreme 2.0 is more than just a pre-workout. it's a scientifically formulated powerhouse designed to elevate every aspect of your training. From amplifying nitric oxide levels for unparalleled pumps to sharpening focus and sustaining energy, it pushes your body to achieve peak performance.

Extreme Pumps: Clinically studied WATTS'UP® (>90% hesperidin), L-Citrulline, and Pink Himalayan Sea Salt enhance nitric oxide production, promoting efficient nutrient delivery to muscles for extreme pumps and optimal performance.

Focus & Energy: A powerful seven-ingredient Nootropic Matrix sharpens mental clarity and supercharges focus, paired with the Extreme Energy Matrix featuring Infinergy™ Di-Caffeine Malate for smooth, sustained energy to keep you locked in and performing at your peak.

Prolonged Nitric Oxide Levels: Highly bioavailable standardized plant extracts sustain nitric oxide levels and enhance muscle performance, delivering longer-lasting pumps and increased training intensity.

Enhanced Performance: Beta-Alanine, Malic Acid, and Taurine improve endurance and reduce fatigue, even during the toughest workouts.
